#GIVINGTUESDAY™  
11.29.2016

Dear Friends and Colleagues,

Please join on #GivingTuesday to support the work of PPAF.

<https://www.razoo.com/us/story/Public-Private-Alliance-Foundation>

As you think about your year-end giving, we hope that you will support the work of the Foundation, especially for clean cooking in Haiti. Our work there is expanding. Your gift will help improve people's health (and especially the health of women and children, who are most involved in daily cooking with charcoal), help reduce deforestation and create business opportunities. We are focussing on several main areas:

- Acting as a voice for clean cooking and women's opportunities;
- Improving the productivity of local distilleries to fuel ethanol stoves;
- Installing a biodigester to produce biogas for cooking, with KDCK;
- Promoting use of solar stoves, working with Solavore, LLC; and
- Encouraging use of improved charcoal stoves and briquettes from sugarcane bagasse, through D&E Green and CarbonRoots.

If everyone who reads our newsletter gives at least \$10, this will fund a biodigester and the technical support to set it up in Cotes de Fer, which was badly affected by Hurricane Matthew.

Would you prefer to send a check? See the address below. Do you have questions? Write to [ppafoundation@gmail.com](mailto:ppafoundation@gmail.com) or call me at 914-478-3450.

Warm regards,

David

David Stillman, Executive Director
