[Happy New Year 2020!](#)

Dear PPAF Friends,

On behalf of our team in Haiti and the U.S. helping to bring clean cooking to the people of Haiti, I hope you will take this last chance in 2019 to make a tax-free contribution to PPAF.

Haiti is facing severe food shortages. Clean cooking can help by using solar power or bio-digesters, powered by free energy sources, to eliminate the cost of charcoal . [You can read about this crisis here,](#)

You can help by making [a gift to PPAF](#). \$70 buys and ships a Haines I Solar cooker with pot; three can be sent for \$140 and six for \$220. You can also support solar and bio-digester classes at the Université Notre Dame d'Haiti-Hinche to build Haitian capacity, and our other projects. A gift in any amount is welcome. Please consider a monthly gift and [click here to donate.](#)

Warm regards for a peaceful and healthy New Year,

David
