**Moving Forward: Join our 50% matching campaign from now to Friday to bring more solar cookers to Haiti**

**GlobalGiving has just announced a new matching campaign for all current projects. Every donation up to \$50 will be matched at 50% between now and Friday night, 11:59 pm, September 18.**

If 10 give \$50 each, it would gross \$750. With that we could buy and ship 20 more Haines solar cookers for teaching and monitoring of use by the new crop of students in the solar and biogas course at the University Notre Dame d'Haiti at Hinche.

Please join this campaign! Donations of \$10 or more are welcome.

## Photos from Haiti in Gallery Exhibit

Six photos from Haiti, by Fedno Lubin, were accepted in the Global Expressions exhibit at the Blue Door Art Center. Three depict the enthusiasm of Jacmel's Flag Day 2019, while three show the somberness of Flag Day 2020 during COVID-19. You can view them here, along with dozens of others from the juried exhibit. They are available for sale.
