How You Can Work with the Foundation

To stay up-to-date, Like us on [Facebook](#), join us on [Linked In](#) and sign up for our [Twitter](#) feed. Your contributions make it possible for the Foundation to continue our work in bringing organizations and people together for sustainable development, clean energy and better health.

(1) **Donate Directly.** It's quick, safe and easy to give online. Go to www.pfafoundation.org and click on the donation button you prefer. Please consider a monthly gift. You can also mail a check directly to Dr. David Stillman, PPAF, 166 Edgars Lane, Hastings-on-Hudson, NY 10706, USA. The Foundation is a 501(c)3 non-profit organization. For more information, email ppafoundation@gmail.com.

(2) **Live Green!** If you live in Connecticut, Massachusetts, New York, New Jersey, Pennsylvania, Maryland, Delaware, the District of Columbia or Illinois, you can help by **changing your electricity provider to Viridian Energy.** (Depending on where you live, you may also be able to switch your gas provider. In Virginia Viridian provides only natural gas.) **This saves you money, supports green energy and provides a smaller carbon footprint, with the Foundation earning a small fee.** Click here to learn more, and feel free to contact us. Go to www.viridian.com/PPAF (Have your current electricity bill handy) or call 914-478-3450; e-mail ppafoundation@gmail.com. You can watch a great 2-minute video by clicking at the top right on our Viridian page.

If you have considered adding solar panels to your home, Viridian has partnered with Solar City, the #1 residential solar company in the U.S. Viridian and Solar City are offering a 20-year contract and free installation. You will reduce your electricity bill significantly.

(3) **Volunteer, serve as an intern, or get involved as a professional.** Use the information above to contact us. Volunteer positions are available in fundraising, research and business development and in translating from English to French and to Kreyol.
